Comments from the 2nd quarter gathering:

- Breakfast and lunch were great.
- The structure of the day flowed easily
- I have attended since the 90's and was pleasantly surprised. Actually received helpful info and everyone was friendly and welcoming
- These meetings are exceeding my expectations.
- The content of the gathering was both rewarding and entertaining, and the business portion was conducted efficiently
- I thought this conference was well put together.
- There seemed to be a good mix of information, sharing and service
- I would like to see more of the same!
