

YOU'RE INVITED TO A *FREE* EVENT!

You're Invited to the South Island Rotary Mixer, whether you are attending District 9999 Conference or not!

Hosted by local Ch.Ch. Sunrise Rotary and the Cancer Society at the Canterbury Cancer Centre.

You're invited to a **complimentary event** with drinks, including substantive BBQ nibbles and delights etc, to tour and experience this unique cancer wellbeing centre and accommodation, the first of its kind in New Zealand.

With the Conference taking place in town, this presents an excellent opportunity to mix with fellow Rotarians from across the South Island and further learn how you may make a contribution to your community through Social Enterprise and Sunrise Market.
