RULES

How to participate

Dynamic

- Due to the shipping limitations of the first prize, we are accepting participants only from Canada and the continental United States. Limited to 100 participants
- Each participant may submit a maximum of 1 submission per week
- There are 31 weeks to submit pictures. You can make a total of 31 submissions. Only 20 submissions per participant will count (those with the highest score each).
- USA and Canada participants can submit pictures from anywhere in the world.
- Only English letters are counted
- The weekly submission must be sent between Monday and Sunday so that the points can be tabulated weekly. Missed weekly submissions cannot be made up.
- The picture must comply with the picture requirements (see next page) to score.
- All submitted photos become property of the Rotary Club of Motorcycling Rotarians

Picture

- It can either be a Selfie or someone else can take the picture.
- The picture must include the clear image of participant´s face (without helmet) and the motorcycle. (Supplemental pictures can be included for clarity at the riders option.)
- The BIKER SKRAMBLE Banner, (official certificate PDF image that the participant will receive after entry and before April 1) should be on the bike or held by the biker and visible in the photo.
- The name of the town should appear on the picture on the city sign. The letters visible are the ones taken into account for scoring.
- The name showed on the picture must somehow show that the biker is actually at the city and not on his way to that city.

Score

- The points to be scored are from the letters that appear on the sign, even if the complete name is longer.
- Each letter has a number of points assigned *(Random Number Generated on March 3)*
- Each one of the judges is going to be in charge to track the score of up to 10 participants. If one of the judges is participating on the game a different person will be assigned to track his/her score.
- No repeats. Each participant is allowed to use a particular city name only once throughout the contest, even if it is the same name is at a completely different location (county, state, province, country).
- No replacements, Once an entry is made the participant cannot replace the photo with a different one.
- The points are calculated based on the first 10 letters of the city name in the photo and the points of each letter based on the values. Spaces will be deleted and not counted. For example the city name St. James will become STJAMES for scoring purposes.
