

## Let's soar to new heights together!

It's our honor to invite you into an all-community effort to revitalize our very own Diggins Hill. So many of us share such wonderful memories of our experiences there and we want more!

Your Cadillac Rotary joyfully asks that you consider becoming a sponsor for our first major endeavor for the project - the creation of a multi-age children's playground and picnic area. On Saturday, May 4, 2024, we will host the *Great Expectations Gala; Hands and Hearts For Diggins Hill*. This upscale event featuring an impressive guest list, silent and live auctions, seated dinner, and live entertainment will be the first opportunity to be a vital part of this exciting project. Your sponsorship will position you at the forefront of the effort and publicly demonstrate your loving investment in our community.

Will you be a hand and heart for Diggins Hill?
