"Service above Self"

Dear Community Member,

We are proud to announce that we will be holding our 12th Annual 1st LT. Mark Dooley 5K Race of Honor on Sunday, April 30, 2017 at Thomas Felten Memorial Park in Modena. This worthy event has only been made possible through your generous contributions.

All proceeds from this event will continue to provide support to various services. Over the past years you have directly impacted the success of:

COMMUNITY SERVICE PROJECTS

We provide financial support to families in need, seniors, UC Office of the Aging, Boy Scout Eagle projects, and local Fire Departments. Provide grade school children with a free fishing derby in partner with Plattekill Rod and Gun Club, free activities and refreshments to town residents during town events.

Sponsorship is \$100.00. Your name, company or organization will be recognized on our website and Facebook page as well as our race day tee shirts.

Thank you for your continued support, and giving us the opportunity to care for our community.
