**Rotary District 7090**

Student Leadership Award Program for Students High On Training

**May 1 – May 3, 2020**

The Adventure Learning Centre at Canterbury Hills, Ancaster, Ontario, CANADA

*A fun-filled WEEKEND of personal & leadership development activities for*  
**HIGH SCHOOL STUDENT LEADERS,**  
**15-18 years old**

*"SLAPSHOT was a fantastic experience for me as a leader. I was very fortunate to spend the weekend with 100 teens, just like me, from Canada & the U.S."*

*"The program involved outstanding speakers and exceptional leaders who motivated my creativity. One of the most memorable presentations was made by a young, enthusiastic, and very well educated speaker, Joel Hilchey."*

*"The High Ropes showed me how important it is to be able to work with others. Since there's so much trust involved, it was a great opportunity to realize you can't do everything yourself. Sometimes you have to let things fall into the hands of capable people who want to help."*

**SLAPSHOT is unique to Rotary District 7090.**  
**SLAPSHOT promotes, celebrates & fosters youth leadership.**

**SLAPSHOT** is a **District 7090 YOUTH LEADERSHIP AWARD** program that takes place over a full spring weekend on the beautiful campus of The Adventure Learning Centre at Canterbury Hills in Ancaster, Ontario, Canada. The primary focus is to maximize the promotion of leadership, self-esteem and teamwork. Six meals and two overnight stays in cabin settings provide the backdrop for training in listening and interpersonal skills, assertiveness and problem-solving, team building and presentation skills. Each year, students leave SLAPSHOT feeling more confident in themselves and prepared to strengthen their involvement with Interact Clubs and other initiatives that will make a difference in their schools and local communities and beyond.

**SLAPSHOT** offers the perfect opportunity for 100 high school students, selected by Rotary Clubs throughout District 7090, to come together for a wonderful experience in fun, fellowship and learning. The program, founded on Rotary ideals, is a strong link on Rotary's youth leadership development continuum – Youth Exchange, EarlyAct, Interact and Rotaract.
