

The Smithtown Rotary Club

What is Rotary?

Rotary is a global network of more than 1.2 million business, professional, and community leaders, who provide humanitarian service, encourage high ethical standards in all vocations, and help to build good will and peace in the world.

About Smithtown Rotary...

Chartered on February 11, 1959, Smithtown Rotary serves the greater Smithtown area and its neighboring communities. Our forty-five plus members are passionate, visionary women and men who unite through a shared sense of purpose to change lives both locally and around the world.

Service Above Self...

The principle motto of Rotary International is exemplified by our clubs commitment to Rotary's Four Areas of Service: Community Service, Vocational Service, International Service, and Club Service.
