The Club Excellence awards, formerly the Rotary Citation awards recognize clubs that achieve specific goals throughout the year, such as increasing their membership, engaging members in sustainable service projects, giving to The Rotary Foundation, building awareness of Rotary in their community, and having an up-to-date strategic plan. When clubs achieve these goals, they contribute to Rotary's overall health and culture for generations to come.

To achieve the Club Excellence Award, clubs review all the available goals, select at least half of them, and then achieve those goals, and report their achievement in Rotary Club Central by 30 June.
