

Human Trafficking

Come to San Diego, California, to learn more about what human trafficking looks like in our own communities and what we can do to help prevent it. Rotarians throughout our paired zones will develop actionable plans that we can all use to amplify our work as People of Action.

People of Action Summit – Human Trafficking

Human Trafficking worldwide is the second largest criminal activity, second only to drugs. Whether forced labor or sex trafficking, it is in every corner of the United States and your community is not immune to this heinous crime. As Rotarians or members of our communities, we need to be at the forefront of combatting modern-day slavery. Leave with an action plan and a play book for your district or club that will allow everyone to protect their families and community.
