

Rotary District 7780 Celebration 2023

Saturday June 10, 2023 10:00 am - 2:30 pm

Meeting, meal and speaker - 11:00am - 2:00pm

Cook's Lobster and Ale House
68 Garrison Cove Road, Bailey Island, Maine

\$45 includes lunch and speaker

Speaker: Lonnie Hackett from
Healthy Learners, Zambia

All venues handicap accessible.

"Come Early, Stay Late"

Bailey Island offers many ways to celebrate. Enjoy the outdoor activities such as lawn games, a boat ride, a trip to Cedar Beach or just relax with Rotarians from all over the District. A bus will be available for drop off and pick-up all along the 2 1/2 mile Island from 2:00 -5:00pm. Bus stops include a "Porch Dessert" option, Cedar Beach, Giant Staircase, Mackerel Cove and Land's End.

Two options for the afternoon are a sail on the Schooner Alert (\$50) or a 2 hour kayaking adventure with H2O Outfitters, (\$50)

Registration will remain open until June 1 or until we fill the capacity of Cook's Lobster House.

House of Friendship Projects Fair: Your club has an opportunity to celebrate a project that is underway or completed at the House of Friendship in the Islands Community Church basement. There are 21 spots available, 9 with electricity.

Thank you for your interest in a very unusual and friendly District Conference - so different we just had to call it a "District Celebration." This is a financially friendly gathering as well. The luncheon includes a variety of seafood and non-seafood options. Cook's Lobster House has a special menu for you.

"Bailey Island is my home and accessible by bridge. I look forward to sharing it with you. Please contact me with questions or concerns. Also, please consider registering now to insure your place at the table."

Peace through Rotary,

DG Claudia Frost
