The Rotary Foundation

..enables Rotarian service in Rotary projects.

"Make sure that the grant falls within Rotary's global grant guidelines, is technically feasible, your and your partner club are qualified to address this need, and issues aren't already being addressed by another organization."

Other organizations might seek your support. Every Rotarian and every Rotary Club may support other organization's meaningful and beneficial efforts. However, The Rotary Foundation will not be obligated to match funds and offer expertise in these circumstances.

Funding your Global Grant

- Each district may (or may not!) have a different formula for matching club contributions with DDF
- Be sure to ask clubs from outside D6250 if they get a district match and for how much
- D6250 matches $1 of club money with $1 of DDF
- The World Fund matches 80% of the DDF

Rotary District 6250 | UNITE FOR GOOD

Best Practices

- Do not collect money from clubs or individuals before the grant has been approved.
- Do not send money to other clubs, districts, or foundations before the grant has been approved
- If someone asks your club for money outside of “official lines” please ask the DRFC or DG for guidance
- Once a grant has been approved, TRF will send official communication on submitting payments

Rotary District 6250 | UNITE FOR GOOD

Reporting Requirement

The **first progress report** is due within 12 months of first payment, then

reports are due every 12 months, until

the **final report** is submitted within two months of project completion
