**SUNDAY 26
APRIL 2026**

**9 am - 1 pm
Gates open 9.00 am**

More than one in three Bayside households has a furry family member with 12,477 registered dogs, **Bayside Doggy Day** offers a unique opportunity for the Bayside residents and their pets to get together and have a fun filled day for the family and their pets.

This initiative has been mooted by the Bayside residents to the City Council for some time. Rotary Club of Beaumaris, has taken the initiative to conduct this event annually, with the support of Bayside City Council. Rotary Club of Beaumaris aims to bring the Bayside residents ,their pets and the businesses in together through this event. This is a great event for the Bayside businesses to participate and showcase their products and services.

EVENT DETAILS

This is an event where every pet dog would be able to participate in the range of parade showcasing their intelligence, tricks and of course; their obedience skills. This is a competition and this makes it more enjoyable for the dogs, their owners and of course the participating public.

Dress your dog with their favourite theme or club colours or use your imagination to dress up your pet dog, surprise everyone and make it a memorable day.

Come on! let us all have a good time on this great Bayside Doggy Day.
