

Come and enjoy a night at the Queen Vic Market with the Rotary Club of Berwick on…

Wednesday 5th August 2026

Meeting at the Market between 6:50 & 7:00pm (place TBA)

From June to August, the Winter Night Market transforms the historic Market into a vibrant mid-week playground of global street food, warming drinks, specialty shopping and live entertainment.
Rug up and wander beneath glowing lights, gather around crackling fire pits and soak up the unmistakable energy of a Melbourne winter night.

Get together with friends and enjoy a relaxing evening meandering around the Market, enjoying good food and great company.

The market goes from 5-10pm. Our plan is to catch the train into town. If we were to travel on the same train, we would need to catch the train at:

East Pakenham Station - 5:31pm
Cardinia Road Station – 5:37pm
Officer Station – 5:40pm
Berwick Station – 5:47pm
Narre Warren Station – 5:50pm

This train will get us to QVM at around 7:00pm, after a short walk from State Library Station.

You can purchase whatever you would like for dinner and once we have all seen enough, we'll catch the train back home.

Return trains leave every 20 minutes from State Library Station, with the travel home taking approx. 1¼ hours.

For those of you who would prefer to drive in, event parking is available in both the Queen Victoria Market Multi-level Undercover Car Park and the Open-Air Car Park. Entry to both car parks is via Queen Street. Parking is a $15 flat rate for entry after 4.30pm.

Please note there will be no meeting at Lava Cafe this week.
