

Presenting Navigating Toxic Leadership

A 60-MINUTE EVIDENCE-BASED TRAINING

A focused, practical session to strengthen your organization's leadership culture from the inside out.

Grounded in the Toxic Triangle model and destructive leadership theory, this session equips leaders, managers, and HR professionals with the frameworks to **identify harmful leadership patterns, understand how organizational culture enables or prevents them, and build the skills to lead with greater awareness and integrity.**

This is leadership development that goes beyond competency models and addresses what actually derails teams and organizations.

What You'll Gain:

Identify

Harmful leadership patterns before they damage performance and trust.

Understand

How organizational culture can enable or prevent toxic leadership.

Build Skills

To lead with greater awareness, accountability and integrity.

Create Change

By strengthening the systems and mindsets that shape your leadership culture.
