

Rotary Foundation

The Rotary Foundation transforms your gifts into projects that change lives both close to home and around the world. As the charitable arm of Rotary, we tap into a global network of Rotarians who invest their time, money, and expertise into our priorities, such as eradicating polio and promoting peace. Foundation grants empower Rotarians to approach challenges such as poverty, illiteracy, and malnutrition with sustainable solutions that leave a lasting impact.

Strong financial oversight, a stellar charity rating, and a unique funding model mean that we make the very most of your contribution. Give and become a part of Rotary's life-changing work!

Polio Plus

Rotary, along with our partners, have helped immunize more than 2 billion children against polio in 122 countries reducing polio cases by 99 percent worldwide since our first project to vaccinate children in the Philippines in 1979.

We are close to eradicating polio, but we need your help. Whether you have a few minutes or a few hours, ask a Rotarian about ways to make a global impact and protect children against polio forever.
