

The **One Rotary Summit** is a synergistic learning experience focused on club growth. Participants work together to develop creative solutions to some relatable Rotary Club case studies. You will leverage tools and information in relation to Membership, Public Image, Leadership and The Rotary Foundation.

We want you to think outside the box! We all know that when it comes to our Clubs there's not a one-size-fits-all approach, so let's get creative!

Our goal? You will leave with a club-specific integrated action plan for success!
